

Green Valley Nov. 27th. 1833

Dear Sir,

Being disappointed in coming to see you at the time the interest was due which I believe is on the 8th of this month, which is owing to Mrs. Dixon being near her confinement that I cannot leave home at present — As Brother Thomas has left this country I spoke to both Mr. Gosnell & Mr. Trumbholm who are agreeable to join me in the note when it is renewed, you may be sure of seeing me down as soon as I can leave home, when the interest will be paid

I remain yours truly
George Dixon
